

# Access Advisory Committee Gympie Region

## Terms of Reference

1. To promote the importance of access issues within the Gympie Region.
2. To provide an independent forum for discussing and investigating issues related to access and inclusion for all members of the Gympie community in community life.
3. To engage with the community and encourage strong community involvement in identifying and resolving access related issues.
4. To collaborate closely with Gympie Regional Council on access issues within the community.
5. To make recommendations to Gympie Regional Council, local business and other agencies on how best to improve access within the Shire for all members of the community - in order to enable better planning of new facilities and develop appropriate modifications to existing facilities.
6. To provide a forum for discussion of concerns from general public about access issues.
7. To develop strong links with government departments, non-government agencies, local businesses and community groups, in order to promote discussion on how best to improve access in the Gympie Region.
8. To provide a forum for sharing information, developing knowledge and skills in access related issues within the community.
